“...resembles John both physically and musically...”
– **Steve Weisberg (long-time Denver guitar accompanist)**

John Denver’s music evokes memories of an era in music which was both inspiring and influential. Ted Vigil, a man who, according to Denver’s long-time guitar accompanist, closely resembles John both physically and musically, is carrying on the tradition and honoring this colossal music icon. Ted, an accomplished and decorated musician, has been performing his John Denver tribute show for nearly two decades, receiving high praise and critical acclaim nearly everywhere he goes. Vigil honors the music of Denver with eerily similar covers of Denver’s biggest hits like “Thank God I’m A Country Boy”, “Leavin’ On A Jet Plane”, and “Take Me Home, Country Roads”.
